SPECIALIST DISABILITY ACCOMMODATION

## Brand New Specialist Disability Accommodation

3  2.5  2 

Masterfully built by a nationally acclaimed builder is this single level 3 bedroom home, specifically designed for participants with extreme functional impairment requiring high levels of support that have SDA funding in their NDIS plan. Due for completion in 2019, accommodation includes 2 large bedrooms together with an OOA (onsite overnight accommodation) room for a support worker, huge open plan living / dining plus spacious kitchen with accessible cabinetry and stainless steel appliances. Residents will enjoy an indoor/outdoor alfresco entertaining and a low maintenance backyard. Other features include individual heating / cooling units, provision for ceiling hoists, extra wide hallways and double garage. Contact SDA Options to express your interest and reside in a brand new home with locations including Mt. Duneed, Wyndham Vale or perhaps a location of your personal preference!
